- Day 2 Route
- Day 3 Route
- Day 2 Support
- Day 3 Support
- Recommended TD Support Route

Multiple support route options. Official support route goes all the way to state street, close to main stage. Crosses the bike route from main camp to main stage. Either take State or continue north on 5th street, depending on bike traffic. East on State likely will have less traffic, since the schools are up north. Alternatively, leave the official route early at Division Street to stay further from the main stage. Still crosses bike route, but likely in a less-congested area.
